## PRIVATE HIRE & EVENTS

Celebrate your special occasion in true Greek style at Mythos Greek Taverna, - a unique private hire venue in the heart of Birmingham city centre. Our authentic Greek taverna setting creates a lively, joyful atmosphere – perfect for birthdays, corporate events, engagements, baptisms, wedding receptions, and private celebrations of all kinds, with a real Mamma Mia vibe.

We can accommodate up to 70 guests indoors, or 100 guests including our outdoor terrace during spring and summer. The terrace can also be hired on its own for smaller parties of up to 40 guests.

All private hire events enjoy our signature 20-dish Greek Mezze set menu, offering a full culinary journey through Greece with traditional dishes designed for sharing. To complete your celebration, we can include Greek entertainment such as live singers, dancing, and plate smashing, with the option to bring your own DJ. Bespoke décor and styling can also be arranged.

Mythos is a family-run, independent restaurant offering flexible and affordable private hire packages tailored to your needs. Minimum spend varies by date and season and will be discussed with management. No party is too small – we're always happy to accommodate your celebration.
